ABOUT ME

A passionate individual aspiring to be a UX Designer. I have a good grasp in Adobe Illustrator, Figma, HTML/CSS and JavaScript. I always believe in the phrase, *"Less is More"*.

EXPERIENCE

GRAPHIC DESIGN AND VIDEO EDITING

- Designed several posters as a member of graphics departments in college committee (NM Computer Society).
- Created promotional videos of gaming event hosted by the same committee.
- Designed the logo of my academic project, Recipe Buddy

WEB DESIGN AND DEVELOPMENT

- Designed and developed a web app, Recipe Buddy in which users can search for recipes and get details such as the number of servings, cooking time and can also buyingredients by adding them to the cart.
- Designed (on Figma) and developed my own portfolio website.

CO-CURRICULAR ACTIVITIES

- Hosted and managed the gaming event "Gamer's Den", organised by NM Computer society, with 200+ participants.
